MOVES WALL STREET

NEW YORK, Feb. 24.—A violent
decline in stock quotations on the ex-
change followed as the result of the
announcement today of a decision of
the Interstate Commerce Commission
against permitting the railroads to put
into effect the proposed increase in
freight rates. Some time ago the rail-
roads notified the commission that
they intended to raise the rates and
the matter was laid before the com-
missioners for their action. The de-
cision as announced today caused a
tumult in Wall Street and the quotat-
ions fell rapidly.**TAWNEY WOULD HOLD**

WASHINGTON, D. C., Feb. 24.—
Representative Tawney has announce-
ed that he will offer an amendment
which, if passed, will prohibit the use
of the appropriation authorized by
Congress for the fortification of the
Panama Canal until President Taft
has made an effort to secure treaty

WASHINGTON, D. C., Feb. 24.—The
House has eliminated from the sundry

Call of the Hundred
Thousand Club.

TO THE RESIDENTS OF HONO-

LULU:

Acting upon the instructions of the
Executive Committee of the Hono-
lulu Hundred Thousand Club, I ad-
dress you this letter to be published
in all the newspapers of the city, an-
nouncing the Club's intention of work-
ing for a more beautiful city and in-
viting, by correspondence addressed
to the Executive Committee, sugges-
tions for up radical plan upon which
the Club may successfully induce
sidewalks and premises, remove un-
property owners to clean up their
desirable fences, etc. The object in
making this appeal for suggestions is
to enable the Executive Committee to
decide upon a plan that will meet the
approval of everybody and obtain good
results.The Club wishes it thoroughly un-
derstood that it has no intention of
interfering with the work of any Im-
provement Club or Civic Society now
operating in the city, but, on the con-
trary, is perfectly willing to assist
and co-operate with all such clubs
and societies having for their purpose
the noble work of cleaning and beau-
tifying the city. The committee would
be glad to have the several Improve-
ment Clubs and Civic Societies in the
different districts of the city look af-
ter their own work; however, if it is
necessary to obtain immediate and
better results the Club is willing to
undertake the work of actually clean-
ing up the city. Suggestions for es-
tablishing an Improvement Fund and
how it is to be used or a plan for
inducing the property owners to do
their own work will be greatly ap-
preciated and given proper consideration
by the Executive Committee.CHARLES A. STANTON,
Secretary, Honolulu Hundred Thou-
sand Club.**SPECIAL EDITION POSTAGE**Postmaster: This informs the Bul-

section is mailed separately the post-
